

## BS/MS Application Process (MS in Biostatistics)

### Part 1: Apply Online

1. Go to Graduate Studies (<http://gradstudies.case.edu>)  
On the left hand menu, select:  
Prospective Students → [Degree Programs Offered](#)
2. Scroll down until you get to the **Biomedical Sciences** programs.

<a href="#">Epidemiology and Biostatistics</a>	MS, PhD	MD/PhD BS/MS (Applied Mathematics BS/Statistics BS) 
--	---------	--

3. Click on the green computer icon. This will redirect to the online graduate studies (<https://app.applyyourself.com/AYApplicantLogin/ApplicantConnectLogin.asp?id=casegrad>)
4. Submit completed application form
5. Submit Statement of Objectives
6. Application fee can be waived online

### Part 2: Transcript\*

1. Print out an unofficial copy of your transcript from SIS
2. Have a BS/MS advisor or Victor Courtney confirm minimum GPA of 3.0

### Part 3: Program of Study

1. Fill out [PPoS form](#) from [http://gradstudies.case.edu/webfm\\_send/205](http://gradstudies.case.edu/webfm_send/205) in consultation with any of BS/MS program advisors below
2. Get signature of **BS/MS advisor** to approve and sign your form
3. Take the form to **Victor Courtney** to approve
4. PPoS will be sent by Victor to the Department Chair for signature
5. Afterwards, hand-deliver the form to the **Dean Anderson** for her signature
6. Arrange a pick up time to get your form, from Dean Anderson at the Undergraduate Studies
7. Hand-deliver the form to **Susan Benedict** to complete the PPoS part of the application process
