BS/MS Application Process (MS in Biostatistics)

Part 1: Apply Online

1. Go to Graduate Studies (http://gradstudies.case.edu)
   On the left hand menu, select:
   Prospective Students → Degree Programs Offered

2. Scroll down until you get to the Biomedical Sciences programs.

<table>
<thead>
<tr>
<th>Epidemiology and Biostatistics</th>
<th>MS, PhD</th>
<th>MD/PhD</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td>BS/MS (Applied Mathematics BS/Statistics BS)</td>
</tr>
</tbody>
</table>

3. Click on the green computer icon. This will redirect to the online graduate studies
   (https://app.applyyourself.com/AY ApplicantLogin/ApplicantConnectLogin.asp?id=casegrad)

4. Submit completed application form
5. Submit Statement of Objectives
6. Application fee can be waived online

Part 2: Transcript*

1. Print out an unofficial copy of your transcript from SIS
2. Have a BS/MS advisor or Victor Courtney confirm minimum GPA of 3.0

Part 3: Program of Study

1. Fill out PPos form from http://gradstudies.case.edu/webfm_send/205 in consultation with any
   of BS/MS program advisors below
2. Get signature of BS/MS advisor to approve and sign your form
3. Take the form to Victor Courtney to approve
4. PPos will be sent by Victor to the Department Chair for signature
5. Afterwards, hand-deliver the form to the Dean Anderson for her signature
6. Arrange a pick up time to get your form, from Dean Anderson at the Undergraduate Studies
7. Hand-deliver the form to Susan Benedict to complete the PPos part of the application process
